2. The works will be carried out from a flotilla of vessels including one cable-laying barge, two lighters, two launches and three tugs. The number of vessels engaged in the works will change from time to time to suit operational requirements.

We are One in Promoting Excellence in Marine Services

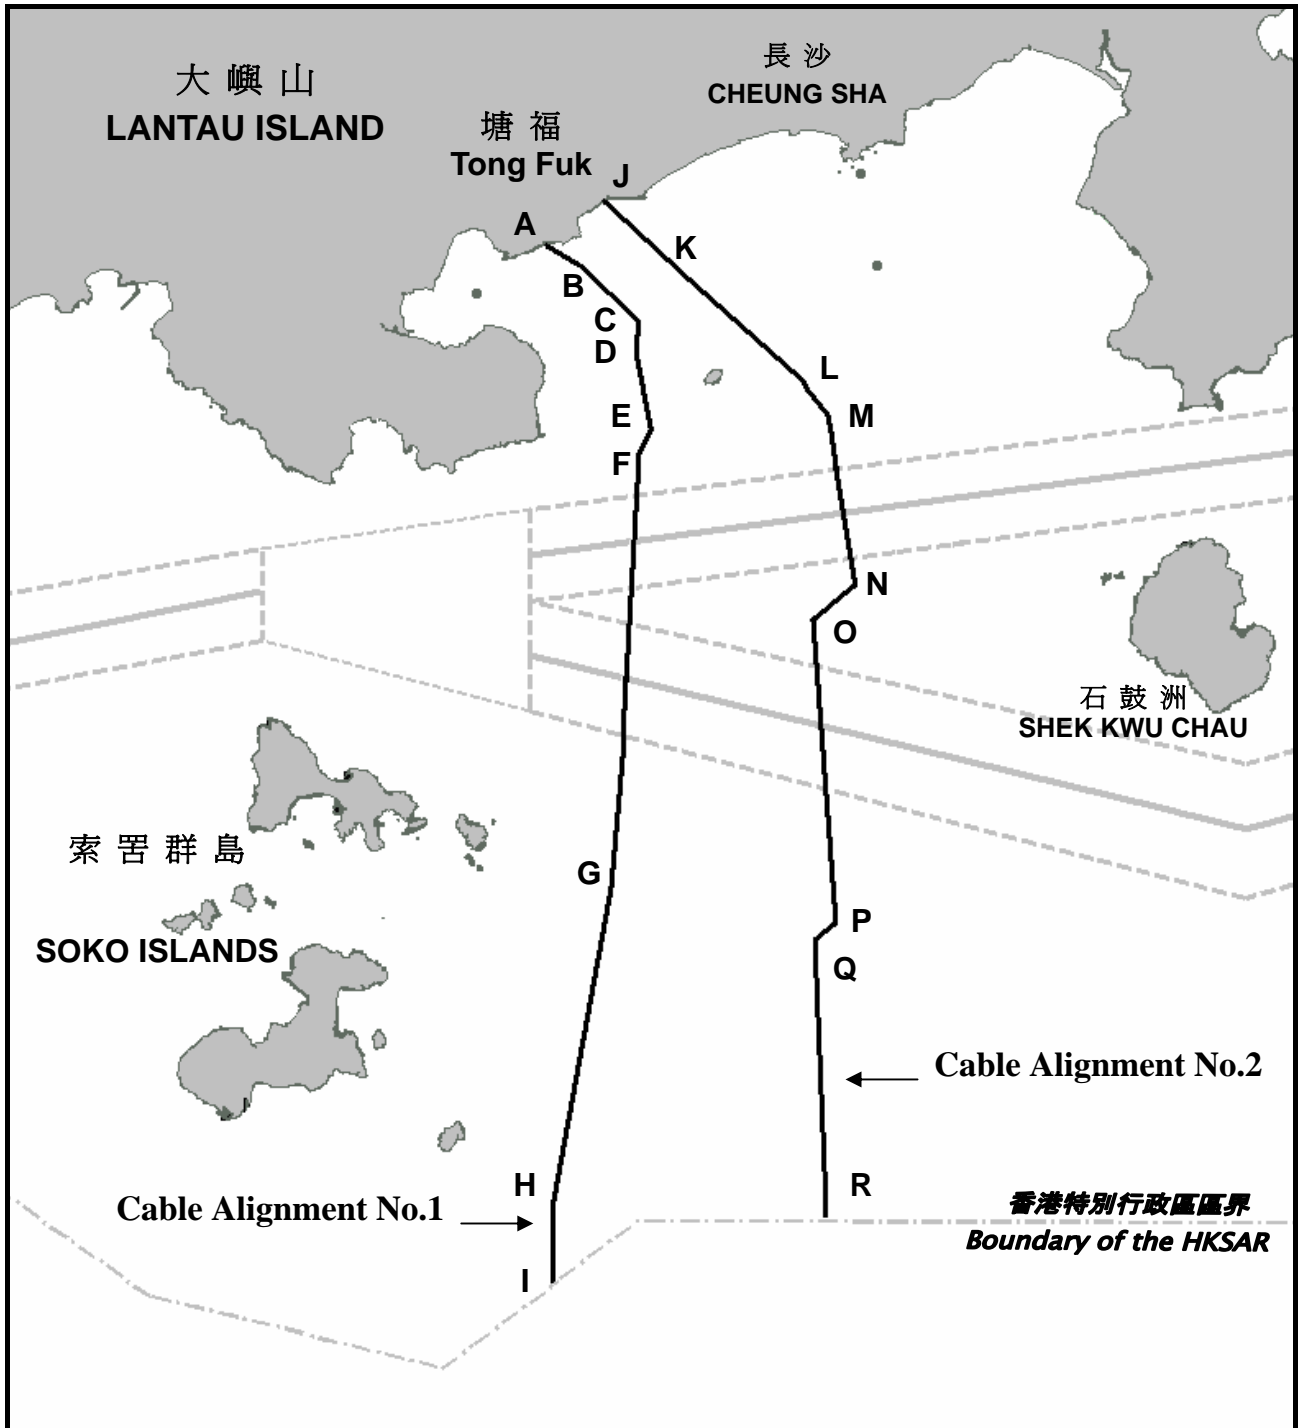

3. A working area of approximately 100 metres around the cable-laying barge will be established.
4. The hours of work will be from 0700 to 1900 hours. Outside the hours of work, the above vessels will stay close to either Alignment 1 or Alignment 2, but will not stay in the alignment sections that cross the traffic separation schemes in the area.
5. Diving operations will be carried out from time to time during the hours of work.
6. Vessels engaged in the operations will display signals as prescribed in international and local regulations.
7. Vessels navigating in the vicinity should proceed with caution and keep well clear at slow speed, bearing in mind there are divers working in the area.
8. A drawing showing the two cable alignments is attached to this Notice.
