

MARINE DEPARTMENT NOTICE NO. 15 OF 2009

(Marine Works)

Repair Works to Pak Kok Pier, Lamma Island

With immediate effect and for a period of approximately 10 weeks, repair works to the concrete structure and fender system of Pak Kok Pier, Lamma Island, will be carried out within a works area bounded by straight lines joining the following co-ordinates (WGS 84 Datum) and the adjacent shoreline:

(A)	22° 14.088'N	114° 06.330'E
(B)	22° 14.139'N	114° 06.323'E
(C)	22° 14.145'N	114° 06.371'E
(D)	22° 14.120'N	114° 06.374'E

2. During the works period, a flat top pontoon will be secured next to the Pier as a temporary substitution for berthing and unberthing of vessels.
3. One derrick lighter will carry out the works. One crane barge, two tugs and one motor sampan will provide assistance. The number of vessels engaged in the works will change from time to time to suit operational requirements.
4. A working area of approximately 50 metres around the derrick lighter and the crane barge will be established. Yellow marker buoys fitted with yellow flashing lights will be laid to mark the positions of the anchors extending from the derrick lighter and the crane barge.
5. Several silt curtains will be established within the works area. Each silt curtain is a large piece of netting, extending from the sea surface to the seabed, used to contain mud and sediments within the works area. Small floating markers, yellow in colour, fitted with yellow flashing lights, will be laid to mark the extent of the silt curtains.
6. Diving operations will be carried out from time to time during the hours of

work.

7. The works will be carried out from 0700 to 1900 hours. No works will be carried out on Sundays and public holidays. Vessels engaged in the works will stay in the works area outside the hours of work.

8. Vessels engaged in the works will display signals as prescribed in international and local regulations.

9. Vessels navigating in the vicinity should proceed with caution and keep well clear at slow speed, bearing in mind there are divers working in the area.

10. A drawing showing the works area is attached to this Notice.

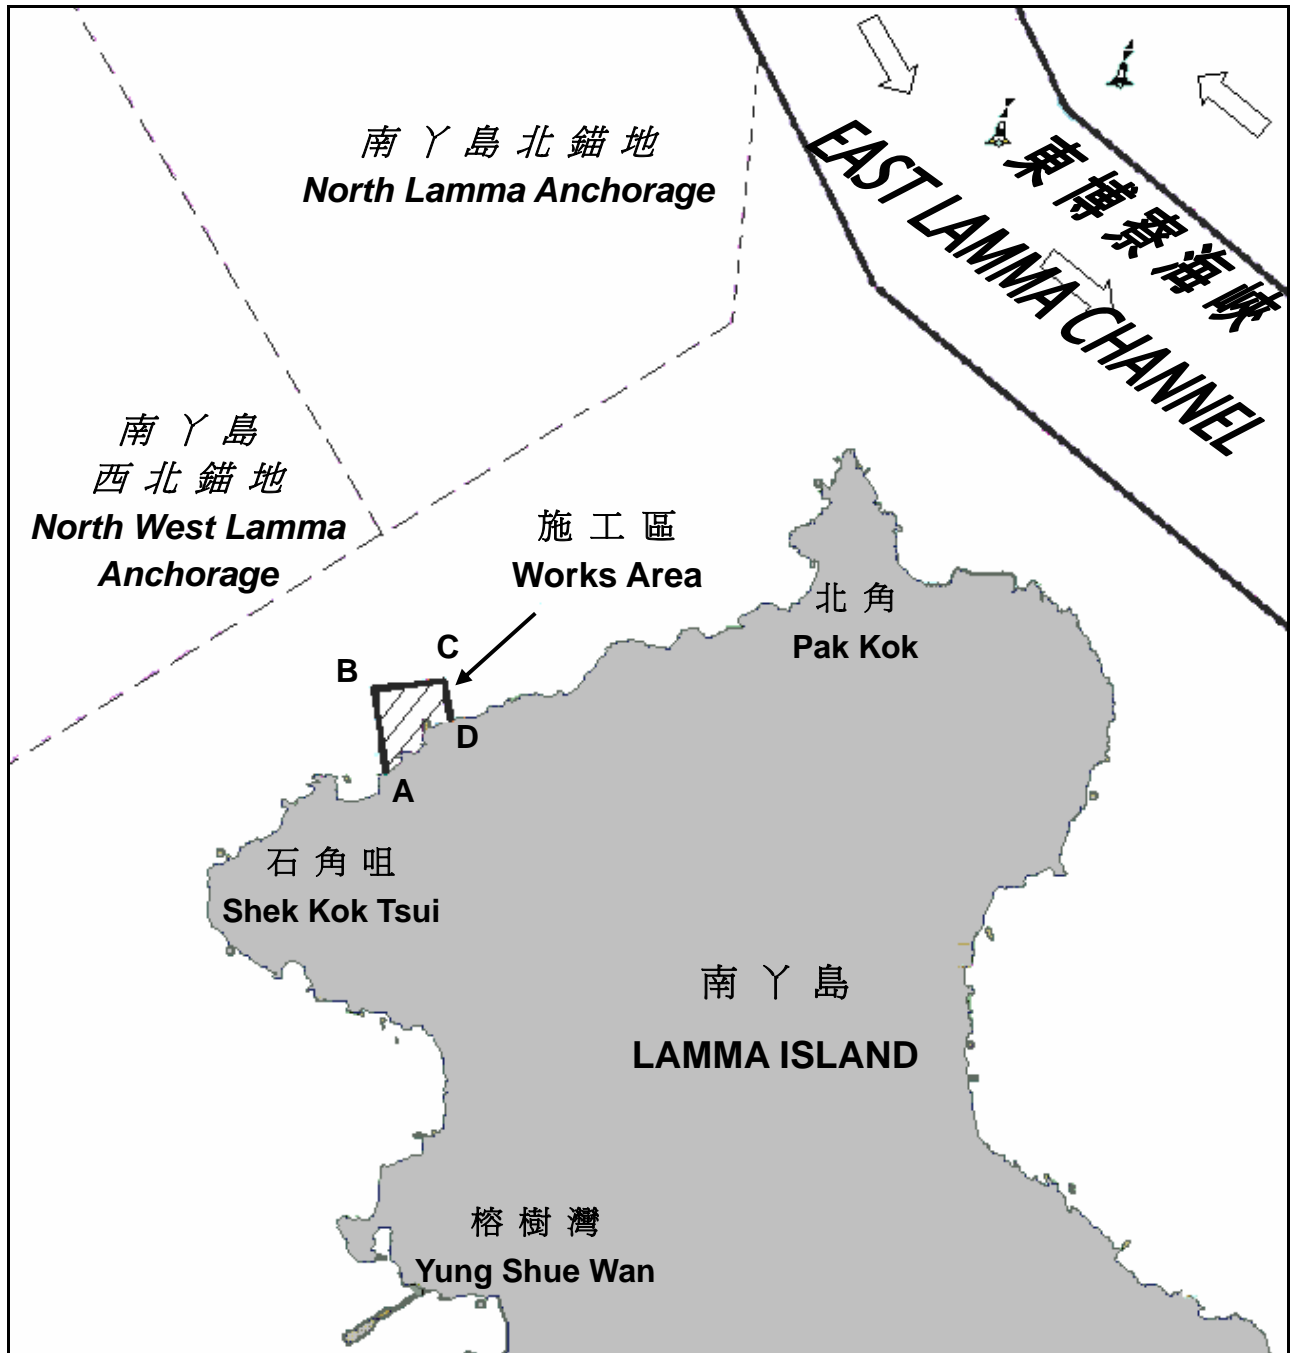

11. This is an extension of Marine Department Notice No. 135 of 2008.
