

MARINE DEPARTMENT NOTICE NO. 21 OF 2010

(Marine Works)

Submarine Pipeline Repair Works in Urmston Road

With immediate effect and for a period of approximately two months, submarine pipeline repair works involving rock removal, pipeline repairing and backfilling operations will be carried out along the following submarine pipeline alignment from Pillar Point, Tuen Mun to Urmston Road. The pipeline alignment is joined by the following co-ordinates (WGS 84 Datum):

(A) 22° 22.022' N 113° 55.532' E

(B) 22° 21.182' N 113° 54.313' E

2. The works will be carried out from a flotilla of vessels including three derrick lighters, one crane barge, one tug and eight guard boats. The number of vessels engaged in the works will change from time to time to suit operational requirements.
3. The rock removal and backfilling operations will be carried out by the three derrick lighters. A working area of approximately 200 metres by 200 metres will be established around each lighter.
4. The pipeline repairing operations will be carried out by the crane barge. A working area of approximately 440 metres by 300 metres will be established around the barge.
5. Yellow marker buoys fitted with yellow flashing lights will be laid to mark the positions of the anchors extending from the derrick lighters and the crane barge.
6. The works will be carried out round-the-clock.
7. Diving operations will be carried out from time to time during the hours of work.

We are One in Promoting Excellence in Marine Services

8. Vessels engaged in the operations will display signals as prescribed in international and local regulations.

9. Vessels navigating in the vicinity should proceed with caution and keep clear at slow speed, bearing in mind there are divers working in the area.

10. A drawing showing the submarine pipeline alignment is attached to this Notice.

11. This Notice supersedes Marine Department Notice No. 136 of 2009 and should be read in conjunction with Marine Department Notices No. 26 and No. 41 of 2009.
