Dear Sir,

**Application for the “Certificate of Insurance or Other Financial Security
in Respect of Civil Liability for Oil Pollution Damage (CLC)”**

The 1992 Civil Liability Convention applies to Hong Kong registered sea-going ships carrying in bulk a cargo of more than 2000 tons of oil. The aforesaid ships are required to apply for the “Certificate of Insurance or Other Financial Security in Respect of Civil Liability for Oil Pollution Damage (CLC)” from Marine Department.

The Application Form, Explanatory Notes and Notes for Guidance for the application of the CLC had been revised and attached as an annex for your necessary action. An Approved Insurance Company list is also attached for your reference. All the aforesaid documents, including a fillable application form in PDF format, could be found at the following website: <http://www.mardep.gov.hk/en/forms/home.html#register>

In order to ensure the ships are properly certificated and to avoid last minute rush, you are reminded to submit your application at your earliest convenience. As soon as your “Blue Card” certificate had been ready, you could submit your application now.
