Eyesight Test Certificate — Local Vessel (Coxswain)

Note: Please read the 'Notes' below and the 'Personal Data Collection Statement' on page 2 in this form before filling

(THIS FORM MUST BE COMPLETED IN ALL PARTS OR OTHERWISE WILL NOT BE ACCEPTED)

Name of Applicant	HKID / Passport No.	Date of Birth

This is to certify that an eyesight test was conducted under my supervision according to the eyesight standards laid down in Chapter 4 of the **Examination Rules for Local Certificate of Competency** for the above-named person. The extract of eyesight standards were provided at page 2 of this Certificate. This statement is true to the best of my knowledge and belief.

The Distant Vision test was conducted when the applicant was with / without visual aids.

The applicant has / has not met the prescribed eyesight standards.

Remark: _____

Name of

Registered Medical Practitioner¹ /

Registered Optometrist²: _____ Registration No.: _____

Signature: _____ Date of Test: _____

Address of the Clinic / Examination Centre: _____

_____ Telephone No.: _____

Stamp of the Clinic / Examination Centre: _____

Notes: 1) "Registered Medical Practitioner" has the same meaning as in section 2 of Medical Registration Ordinance (Cap. 161)

2) **Only Part I or Part II Registered Optometrist is accepted to sign this certificate.** "Registered Optometrist" means a person who is registered according to the Optometrists (Registration and Disciplinary Procedure) Regulation (Cap. 359F) of the Supplementary Medical Professions Ordinance (Cap. 359).

3) A certificate from a registered medical practitioner or registered optometrist attesting to the applicant having attained these standards within the 24 months (12 months in respect of an applicant who is 65 years of age and over) preceding the application will be accepted.

4) In accordance with Code of Practice for Safety Standards for Class I, II & III vessels, a crew assigned to assist look-out is required to meet the eyesight standards as that for coxswain.

Tick where appropriate

Eyesight Standards for Local Vessel (Coxswain) Certificate of Competency

Eyesight Standards for Local Vessel (Coxswain)			Eyesight Test means accepted by the Marine Department
Distant Vision with or without visual aids	Better eye Other eye	6/9 6/12	Testing distance: 4 meters or further away. The better eye should achieve the visual acuity (VA) level at 6/9 without any error, while the other eye should achieve the VA level at 6/12 without any error. Use of telescopic visual aid in Distant Vision test is prohibited.
Near Vision	Both eyes together, with or without visual aids	Vision required for ship's navigation (e.g. chart and nautical publication reference, use of bridge instrumentation and equipment, identification of navigation aids)	Testing distance: 40 cm. With or without visual aids, near VA should achieve M0.63 or n5 without any error.
Intermediate Vision			Testing distance: 80 cm. With or without visual aids, intermediate VA should achieve M1.25 or n10 without any error.
Colour Vision			Use of Ishihara plates under normal room lighting or equivalent. Testing distance: 75 cm. Ishihara twenty-four plates version: Test plate 1 to 15, maximum number of errors allowed is 2. Ishihara thirty-eight plates version: Test plate 1 to 21, maximum number of errors allowed is 3. Use of colour sensing lenses in Colour Vision test is prohibited.
Diplopia (double vision)		No significant condition evident	Test by Worth's 4 dots under normal room lighting or equivalent. Testing distances: 40 cm and 4 meters or further away. No diplopia is accepted at both distances.
Visual fields	No spectacles	Normal visual fields	Test by either Perimeter method or Confrontation method. Perimeter method: Hand-held disc perimeter (3mm target) or other perimeter, "Binocular field" or "combining temporal field from each eye" to have at least 120-degree coverage in horizontal meridian. Confrontation method: counting fingers at four quadrants, no error in any quadrant is allowed.
Night Blindness	Vision required to perform all necessary functions in darkness without compromise		Through history taking, no mention about the sign of: i) Night Blindness; or ii) Retinitis Pigmentosa.

Personal Data Collection Statement

- Purposes of Collection** - The personal data provided by means of this form will be used by Marine Department for the following purposes:
 - activities relating to the processing of your application in this form;
 - facilitating communication between the Marine Department and yourself;
 - for any other legitimate purposes as may be required, authorized or permitted by law;
 - limited personal data of successful applicants may be used via the Marine Department's Internet web site for verification of the issued certificate by any third party; and
 - for statistics and research purposes on the condition that the resulting statistics or results will not be made available in a form which will identify the data subjects.
- Classes of Transferees** - The personal data you provided by means of this form may be disclosed to other Government Bureaux and Departments for the purposes mentioned in paragraph 1 above.
- Access to Personal Data** - You have a right of access and correction with respect to personal data as provided for in Sections 18 and 22 and Principle 6 of Schedule 1 of the Personal Data (Privacy) Ordinance. Your right of access includes the right to obtain a copy of your personal data provided by this form.
- Enquires** - Enquiries concerning the personal data collected by means of this form, including the making of access and correction, should be addressed to:

Officer-in-charge, River Trade and Local Examination Section, Marine Department,
