HONG KONG MERCHANT SHIPPING INFORMATION NOTE

Acceptance of Service Providers, Materials and Equipment for Hong Kong Registered Ships

To : Shipowners, Ship Managers, Ship Masters, Shipbuilders and Classification Societies

Summary

This Note is to provide information and guidance to the parties concerned on the acceptance of service providers, materials and equipment for Hong Kong registered ships.

1. Marine Department (MD) accepts service providers, materials and equipment complying with the procedures/standards and performance specifications laid down by the International Maritime Organization (IMO). Without contravening the IMO and ship's Classification Society requirements, service providers, materials and equipment approved by a party of the appropriate IMO conventions for use on its registered ships or approved by the authorized Recognized Organizations (ROs) and Recognized Security Organizations (RSOs) of MD are acceptable to be used on Hong Kong registered ships (HK ships).
