MARINE DEPARTMENT NOTICE NO. 38/2020

(Marine Works)

Reconstruction of Beacons at Tai O

With immediate effect and for a period of approximately 2 months, reconstruction of three beacons will be carried out at Tai O.

2. The works will be carried out by one derrick lighter and one tugboat. A working area of approximately 15 metres around the derrick lighter will be established. Yellow marker buoys fitted with yellow flashing lights will be laid to mark the positions of the anchors extending from the lighter.

3. The hours of work will be from 0700 to 1900 hours. No works will be carried out on Sundays and public holidays. Vessels employed for the works will not stay in the locations outside the hours of work.

4. Diving operations will be carried out from time to time during the hours of work.

5. Vessels engaged in the works will display signals as prescribed in international and local regulations.

6. Vessels navigating in the vicinity should proceed with caution and keep clear of the working locations at slow speed, bearing in mind there are divers working in the locations.

7. A drawing showing the locations of the beacons is attached to this Notice.
