MARINE DEPARTMENT NOTICE NO. 87/2020
(Marine Works)

Placement of Accropodes at the Hong Kong Boundary Crossing Facilities

With immediate effect and for a period of approximately 3 months, marine works involving placement of accropodes at the seawall will be carried out within the area bounded by straight lines joining the following co-ordinates (WGS 84 Datum) from (A) to (D) and the adjacent shoreline:

(A) 22° 18.792’N 113° 57.609’E
(B) 22° 18.783’N 113° 57.646’E
(C) 22° 18.731’N 113° 57.631’E
(D) 22° 18.740’N 113° 57.593’E

2. The works will be carried out by one derrick lighter. One tugboat will provide assistance.

3. A working area of approximately 15 metres around the derrick lighter will be established. Yellow marker buoys fitted with yellow flashing lights will be laid to mark the positions of the anchors extending from the lighter.

4. Silt curtains fitted with yellow flashing lights will be established within the works area. The silt curtain is a large piece of netting used to contain mud and sediments.

5. The hours of work will be from 0700 to 1900 hours. No works will be carried out on Sundays and public holidays. Vessels employed for the works will stay in the works area outside the hours of work.

6. Diving operations will be carried out from time to time during the hours of work.

7. Vessels engaged in the operations will display signals as prescribed in international and local regulations.

We are One in Promoting Excellence in Marine Services
8. Vessels navigating in the vicinity should proceed with caution and keep clear of the works area at slow speed, bearing in mind there are divers working in the area.

9. A drawing showing the works area is attached to this Notice.

10. This Notice should be read in conjunction with Marine Department Notice No. 84/2020.
