MARINE DEPARTMENT NOTICE NO. 97/2020

(Marine Works)

Repair Works for Dolphins in Tuen Mun Typhoon Shelter

With immediate effect and for a period of approximately 4 months, repair works for dolphins will be carried out in Tuen Mun Typhoon Shelter.

2. The works will be carried out by one crane boat. A working area of approximately 15 metres around the boat will be established. Yellow marker buoys fitted with yellow flashing lights will be laid to mark the positions of the anchors extending from the boat.

3. A silt curtain, extending from the sea surface to the seabed, will be established around the dolphins for repair. Yellow flashing lights will be laid along the surface of the silt curtain to mark the extent of the silt curtain.

4. The hours of work will be carried out from 0700 to 1900 hours. No works will be carried out on Sundays and public holidays. The boat employed for the works will stay in the works area outside the hours of work.

5. Diving operations will be carried out from time to time during the hours of work.

6. The boat engaged in the works will display signals as prescribed in international and local regulations.

7. Vessels navigating in the vicinity should proceed with caution and keep clear of the working area at slow speed, bearing in mind there are divers working in the area.

We are One in Promoting Excellence in Marine Services
8. A drawing showing the locations of the dolphins is attached to this Notice.
