2. The works will be carried out by a flotilla of vessels including ten dumb lighters, two hopper barges, one dry cargo vessel, four tugboats and four work boats. The number of vessels engaged in the works will change from time to time to suit operational requirements.

3. A working area of approximately 50 metres around the lighters will be established. Yellow marker buoys fitted with yellow flashing lights will be laid to mark the positions of the anchors extending from the lighters.

4. Several silt curtains, extending from the sea surface to the seabed, will be established within the works area. The silt curtain is a large piece of netting used to contain mud and sediments. Yellow marker buoys fitted with yellow flashing lights will be laid to mark the extent of the silt curtains.
5. The hours of work will be from 0700 to 2200 hours. No works will be carried out on Sundays and public holidays. Vessels employed for the works will stay in the works area outside the hours of work.
6. Vessels engaged in the works will display signals as prescribed in international and local regulations.
7. Vessels navigating in the vicinity should proceed with caution.
8. A drawing showing the works area is attached to this Notice.
9. This Notice should be read in conjunction with Marine Department Notice No. 167/2019, 187/2020 and 8/2021.
10. This Notice supersedes Marine Department Notice No. 141/2019.
