

MARINE DEPARTMENT NOTICE NO. 68/2021

(Marine Works)

**Installation of Temporary Floating Refuse Containment Boom in
Kwun Tong Typhoon Shelter**

With effect from 26 March 2021 and for a period of approximately nine months, marine works involving installation of one floating refuse containment boom will be carried out within the area bounded by straight lines joining the following co-ordinates (WGS 84 Datum) from (A) to (B) and the adjacent shoreline:

(A)	22°18.928'N	114°12.801'E
(B)	22°18.919'N	114°12.818'E

2. A floating refuse containment boom will be installed near the rainwater drainage outlets in Kwun Tong Typhoon Shelter with two ends of the boom fixed on the vertical seawall. No working boat will be engaged in the works.
3. The purpose of the floating refuse containment boom is to intercept general floating refuse, and the boom comprises a 30 meters long polyethylene float with reflective material.
4. Vessels navigating in the vicinity should proceed with caution.
5. A drawing showing the works area is attached to this Notice.

**Ms Carol Yuen
Director of Marine**
