2. The works will be carried out by five dumb lighters, one special purpose vessel, one flat-top work barge and three work boats. Two tugs and two work boats will provide assistance. The number of vessels engaged in the works will change from time to time to suit operational requirements. Vessels engaged in the works will display signals as prescribed in international and local regulations.
3. A working area of approximately 30 metres around the lighters and barge will be established. Yellow marker buoys fitted with yellow flashing lights will be laid to mark the positions of the anchors extending from the lighters and barge.
4. The hours of work will be from 0700 to 1900 hours. No works will be carried out on Sundays and public holidays. Vessels employed for the works will stay in the works areas outside the hours of work.
5. Vessels navigating in the vicinity should proceed with caution.
6. A drawing showing the works areas is attached to this Notice. This Notice supersedes Marine Department Notice No. 236/2022 and 185/2022.
