N.A. Not available

Notes: Ocean vessels and river vessels are defined according to whether or not their ports of call are beyond the river trade limits. Ocean vessels refer to vessels operating beyond the river trade limits while river vessels refer to vessels plying within the river trade limits.

(1) As from 2007, non-passenger carrying trips of cross-boundary ferry are excluded from river vessels. As from 2017, river passenger vessels include cruises plying within the river trade limits.
