Notes: (1) Ocean vessels and river vessels are defined according to whether or not their ports of call are beyond the river trade limits. Ocean vessels refer to vessels operating beyond the river trade limits while river vessels refer to vessels plying within the river trade limits.

(2) Arrivals of river passenger vessels include arrivals at Hong Kong - Macau Ferry Terminal, China Ferry Terminal, Tuen Mun Ferry Terminal and SkyPier. The cross-boundary ferry service at China Ferry Terminal was suspended on 30 January 2020. The service between Hong Kong and the mainland of China has been resumed since 8 January 2023, while that between Hong Kong and Macao had been resumed since 1 December 2023 but then suspended on 1 September 2024. The cross-boundary ferry service at Hong Kong - Macau Ferry Terminal was suspended on 4 February 2020 and has been resumed since 8 January 2023. The cross-boundary ferry service at Tuen Mun Ferry Terminal was suspended on 30 January 2020 and ceased on 8 June 2021. The terminal has been removed from the legislation which specifies terminals for use by cross-boundary ferry vessels since 6 December 2024. Except for the chartered ferry transfer services, the scheduled ferry transfer services at SkyPier between Hong Kong International Airport and the mainland of China and Macao were suspended in April 2020. Related services have been resumed gradually since 28 October 2020.
