Notes: As accurate number of trips of locally licensed pleasure vessels and fishing vessels plying between Hong Kong and the river trade limits is not available, these two categories of vessels are not included in the river vessel statistics.

Ocean vessels and river vessels are defined according to whether or not their ports of call are beyond the river trade limits. Ocean vessels refer to vessels operating beyond the river trade limits while river vessels refer to vessels plying within the river trade limits.

Notes: As accurate number of trips of locally licensed pleasure vessels and fishing vessels plying between Hong Kong and the river trade limits is not available, these two categories of vessels are not included in the river vessel statistics.

Ocean vessels and river vessels are defined according to whether or not their ports of call are beyond the river trade limits. Ocean vessels refer to vessels operating beyond the river trade limits while river vessels refer to vessels plying within the river trade limits.
