Notes: The number of ocean vessels and river vessels in this table cannot be grouped together by simple addition as the same vessel may be classified as ocean and river vessel in different trips during that period. Ocean vessels and river vessels are defined according to whether or not their ports of call are beyond the river trade limits. Ocean vessels refer to vessels operating beyond the river trade limits while river vessels refer to vessels plying within the river trade limits.

(1) Referring to those flags of which the total number of ocean vessels calling Hong Kong being less than 20 during the year 2022.

Notes: The number of ocean vessels and river vessels in this table cannot be grouped together by simple addition as the same vessel may be classified as ocean and river vessel in different trips during that period. Ocean vessels and river vessels are defined according to whether or not their ports of call are beyond the river trade limits. Ocean vessels refer to vessels operating beyond the river trade limits while river vessels refer to vessels plying within the river trade limits.
