Vessels entering the core area of Ningbo Zhoushan port, shall sail follow the regulations of “Ship’s Routing System for Deep Water Route of Ningbo-Zhoushan Port” and “Ship's Reporting System for Deep Water Route of Ningbo-Zhoushan Port”.

### 11. North route for Taizhou Bay

NO.	Centerline coordinates		course (°)	Distance to next way point (nm)	Recommended Route width / XTD (nm)
	latitude (N)	longitude (E)			
1	28°52.90'	122°02.60'	220.3	11.40	0.5 nautical miles on both
2	28°44.20'	121°54.20'	238.2	7.96	

NO.	Centerline coordinates		course (°)	Distance to next way point (nm)	Recommended Route width / XTD (nm) sides of the centerline
	latitude (N)	longitude (E)			
3	28°40.00'	121°46.50'	270	6.06	
4	28°40.00'	121°39.60'	/	/	

### 12. South route for Taizhou Bay

NO.	Centerline coordinates		course (°)	Distance to next way point (nm)	Recommended Route width / XTD (nm)
	latitude (N)	longitude (E)			
1	28°23.20'	121°47.30'	338.1	18.12	0.5 nautical miles on both sides of the centerline
2	28°40.00'	121°39.60'	/	/	

### 13. Yueqing Bay approach route (north route)

NO.	Centerline coordinates		course (°)	Distance to next way point (nm)	Recommended Route width / XTD (nm)
	latitude (N)	longitude (E)			
1	28°01.00'	121°31.73'	273.1	16.80	0.5 nautical miles on both sides of the centerline
2	28°01.88'	121°12.74'	/	/	

### 14. Yueqing Bay approach route (deep water route)

NO.	Centerline coordinates		course (°)	Distance to next way point (nm)	Segment name
	latitude (N)	longitude (E)			
1	27°52.60'	121°22.93'	315.9	12.94	Yueqing Bay approach channel
2	28°01.88'	121°12.74'	/	/	

Vessels entering Yueqing Port area, should follow the regulations of “Ship’s Routing System for Yueqing Bay” and “Ship's Reporting System for Yueqing Bay”.

### 15. Deep water approach route of Wenzhou Port core area

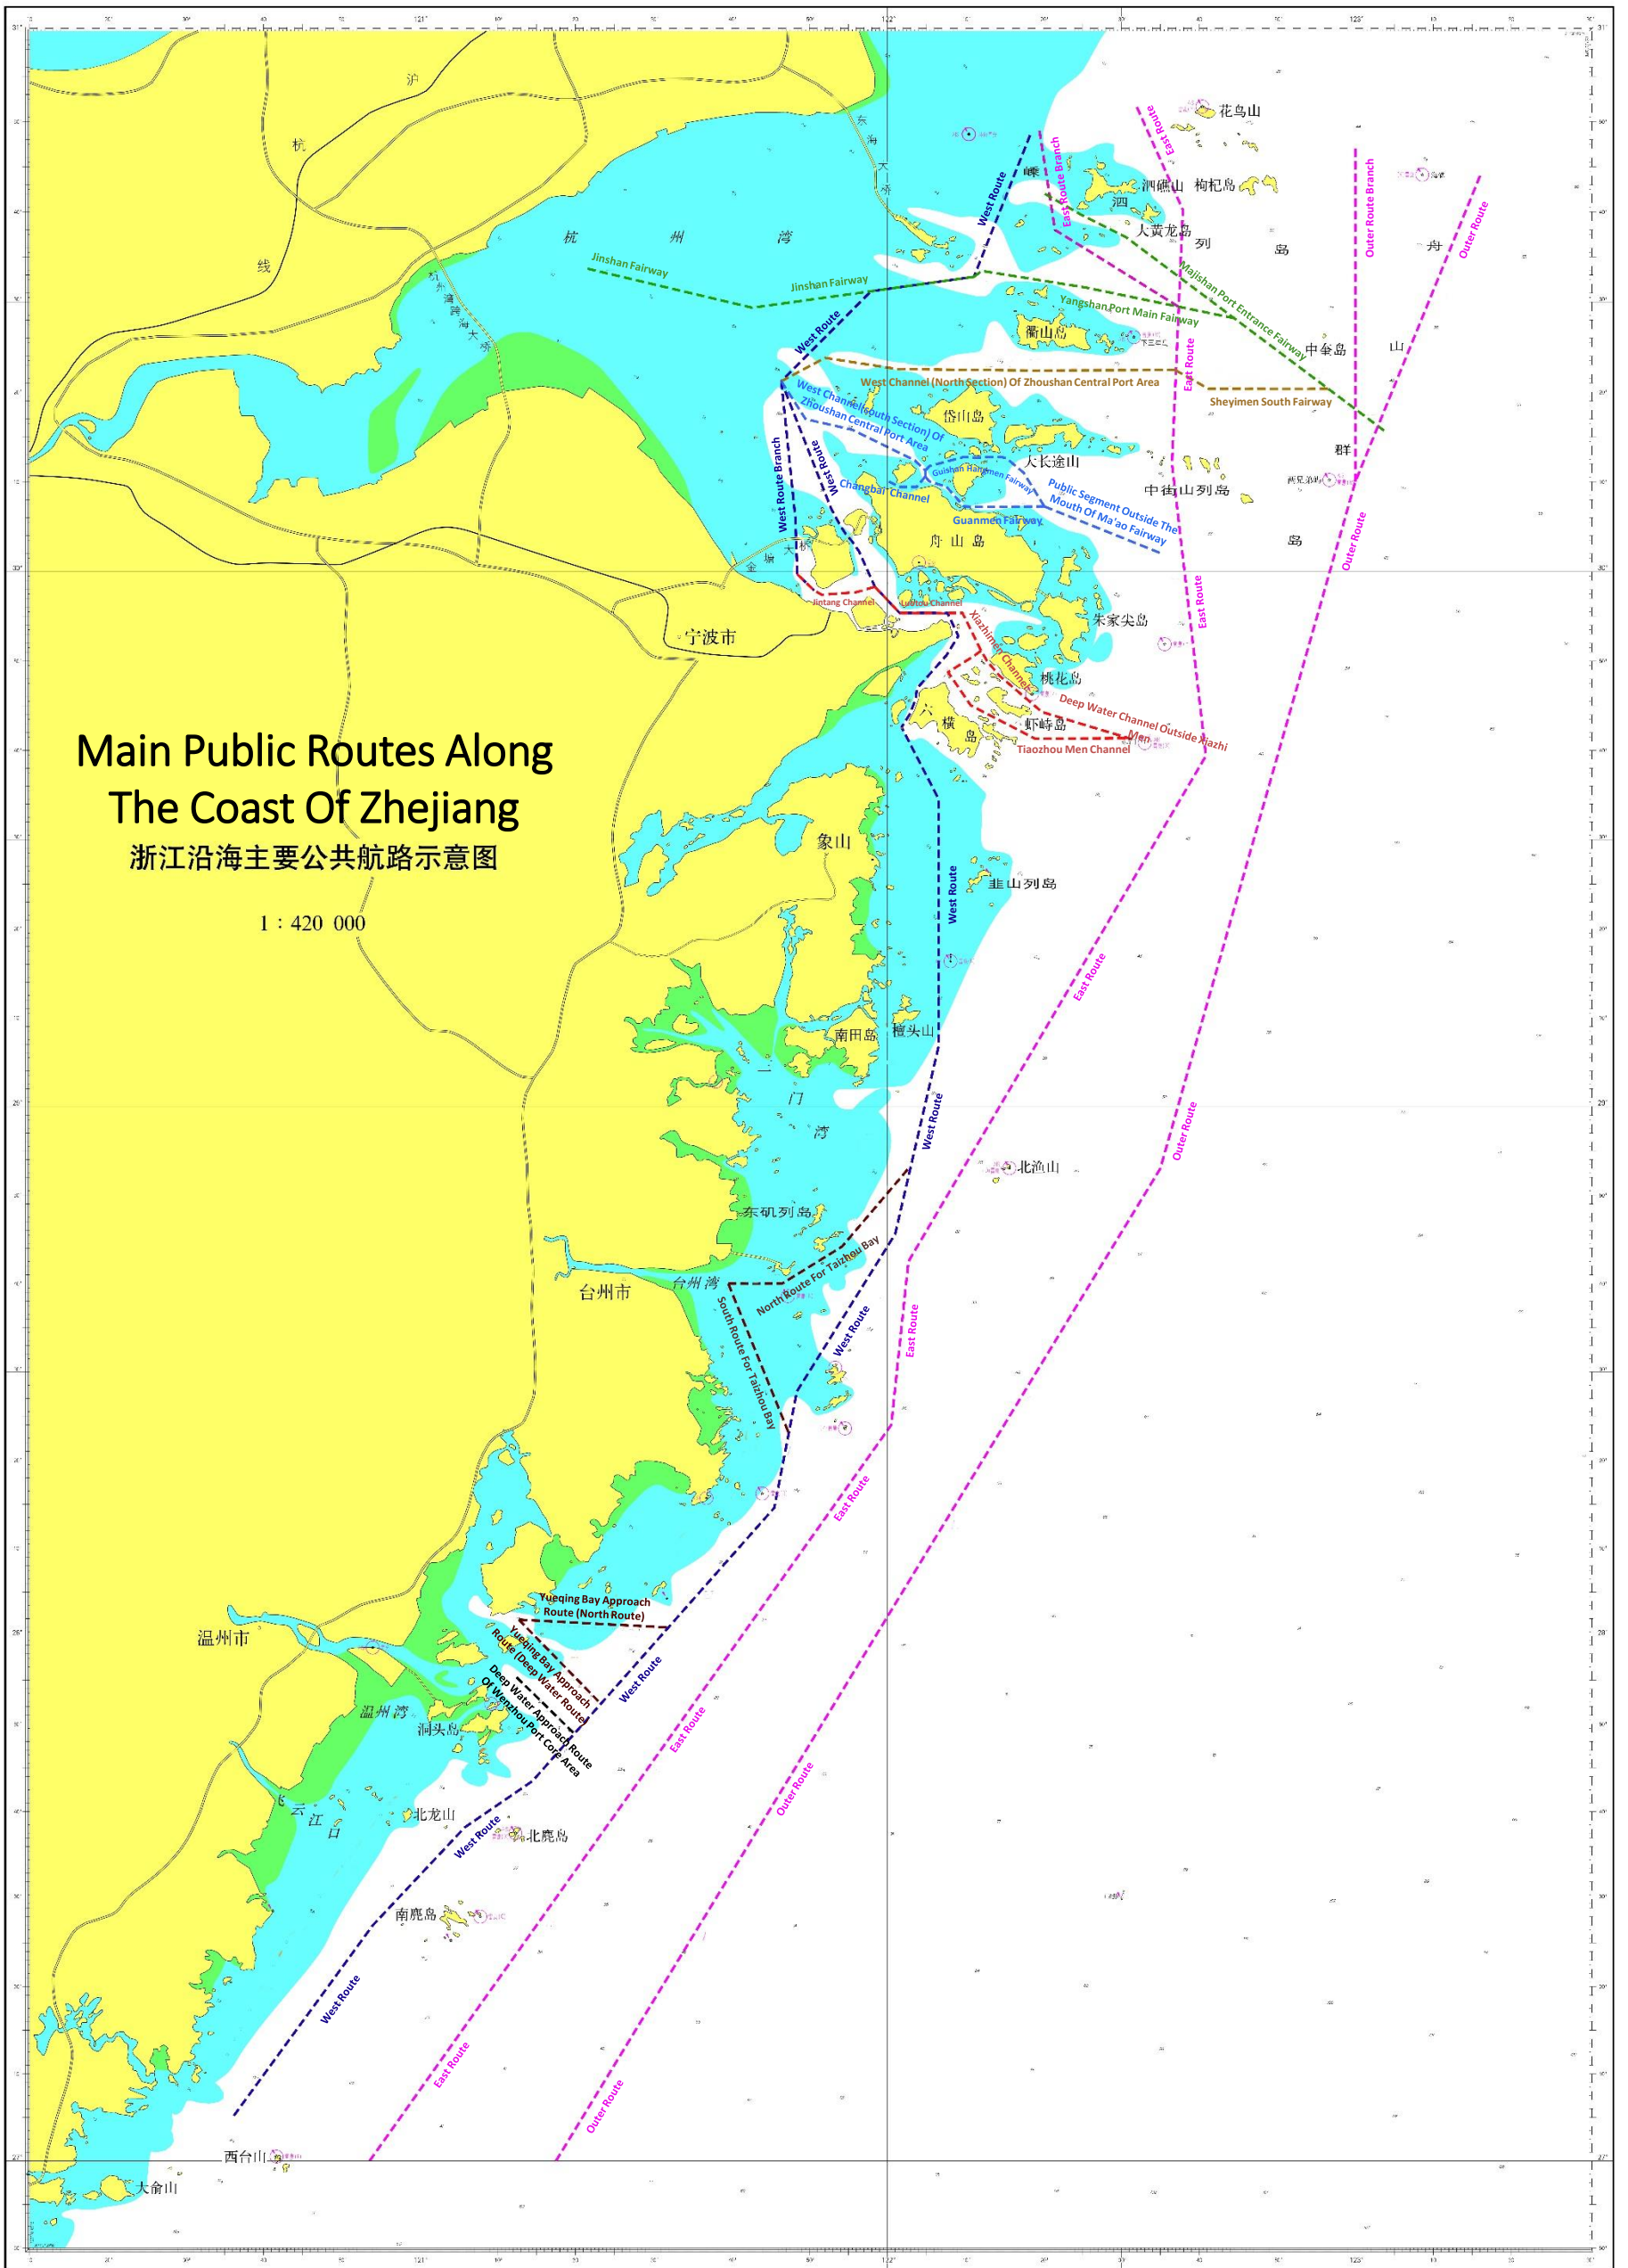

NO.	Centerline coordinates		course (°)	Distance to next way point (nm)	Segment name
	latitude (N)	longitude (E)			

NO.	Centerline coordinates		course (°)	Distance to next way point (nm)	Segment name
	latitude (N)	longitude (E)			
1	27°49.01'	121°19.73'	314.5	9.01	Deep water approach
2	27°55.32'	121°12.46'	/	/	<b>Fairway</b> of Wenzhou Port

**Relevant instructions:**

1. Above mentioned Recommended Route width / XTD (nm)s are theoretical, subjected to the limits of natural environment and navigational conditions. Mariners shall navigate with caution according to the actual navigable width and environment.
2. Mariners shall select the route scientifically and reasonably according to the ship conditions and destination and with reference to the latest nautical charts and publications. For large ships navigating along the coast of Zhejiang, it is suggested to use the outer route and east of HAI JIAO (30° 44.1' N, 123° 9.4' E).
3. Mariners shall strictly abide by the “Convention on the International Regulations for Preventing Collisions at Sea, 1972” (COLREG) and the special regulations published by the Maritime Safety Administrations. When crossing or entering the route and passing through the congested traffic area, ship shall navigate with extreme caution to ensure safety.
