Dear Sir/ Madam,

Safety Advisories for Vessels Navigating China's Coastal Waters

Fishing activities have been partially resumed in China's Coastal Waters ("the Concerned Waters") since August, with fully resumption on 16 September 2025. Navigation traffic in the Concerned Waters is expected to increase significantly. To ensure navigation safety, China Maritime Safety Administration has updated its Safety Advisories for Vessels Navigating China's Coastal Waters ("the Safety Advisories") as enclosure. As such, Hong Kong-registered ships are advised to pay close attention to the Safety Advisories.
