**To: All Masters, Ship Security Officers, Company Security Officers, Shipowners,  
Ship Managers and Operators of Hong Kong Registered Ships,**

Dear Sir/ Madam,

**Security and Quality Advisory No.72**  
**Regional Guide 2 to Counter Piracy and Armed Robbery**  
**Against Ships in Asia**

Piracy and armed robbery against ships in the Asian region has evolved over the years. In response to evolution, the Regional Guide 2 to Counter Piracy and Armed Robbery Against Ships in Asia (Regional Guide (Version 2)) includes updated information has been developed by the Information Sharing Centre (ISC) of the Regional Cooperation Agreement on Combating Piracy and Armed Robbery against Ships in Asia (ReCAAP) in collaboration with various maritime organizations to assist the Owner/Operator/Master and crew operating in Asia to adopt the appropriate measures to avoid, deter or delay attacks and unauthorised boardings.

2. All masters, ship and company security officers, shipowners, managers and operators should take into account the guidance when carrying out risk assessment and planning for voyages transiting areas where the threat of attack by pirates and armed robbers exists. The Regional Guide (Version 2) is available on the ReCAAP ISC website:

[https://www.recaap.org/resources/ck/files/guide/Regional%20Guide%202%20to%20Counter%20Piracy%20%20Armed%20Robbery%20against%20Ships%20in%20Asia%20\(HR\)%20v1.pdf](https://www.recaap.org/resources/ck/files/guide/Regional%20Guide%202%20to%20Counter%20Piracy%20%20Armed%20Robbery%20against%20Ships%20in%20Asia%20(HR)%20v1.pdf)

3. Other guidance or guide focusing on abduction of crew and sea robbery in Asia are also available on the ReCAAP ISC website:

4. It should be emphasized that routine ship security reporting is extremely important for remedial actions to be taken locally and for the formulation and institution of more effective preventive measures at regional and international level in the fight against piracy. The Information Fusion Centre (IFC) is the first point of contact for ships in the region offering a voluntary reporting scheme. The IFC can be contacted at:
