

- (b) e-Certificates can also be verified by scanning the Quick Response (QR) Code available on each e-HKL.
- i. Once the QR Code in the e-HKL is scanned with mobile device such as smartphone or tablet, you will be diverted to e-Certification Verification website.
 - ii. The input field display pre-filled Certificate Type and UTN number. Then, please follow the verification procedures same as above (a)(iv) to (a)(ix).

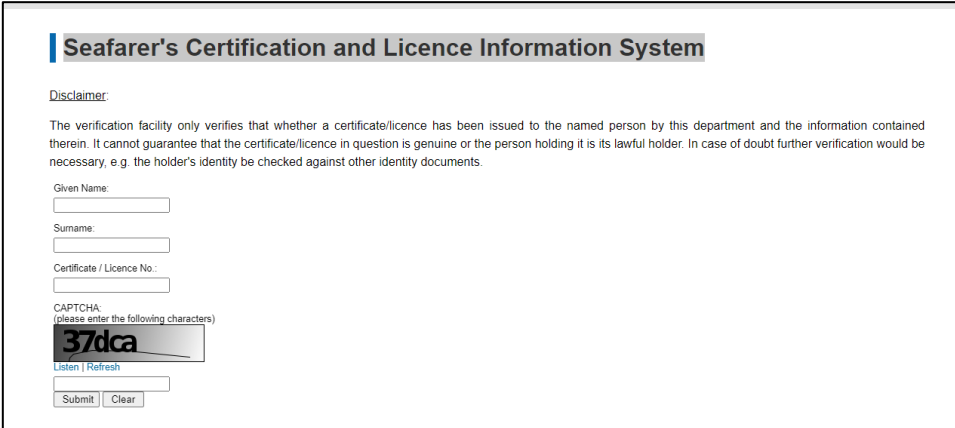

2. For verification of previously issued Hong Kong Licence printed on security paper (HKL)

Marine Department has been providing “Seafarer's Certification and Licence Information System” for all seafarers’ certificate and licence verification under the Electronic Service of Marine Department website for years. This service will remain in operation. Verification can be done as follows: -

- i. Go to <https://www.mardep.gov.hk> and navigate to Electronic Service → Seafarer's Certification and Licence Information System.
(https://www.mardep.gov.hk/en/ele_services/home.html)
- ii. Input the **given name, surname** and **Hong Kong Licence number** in the relevant field.
- iii. In the field of **Captcha**, enter the characters indicated in the screen.
- iv. Press the **Submit** button.
- v. The output of verification result will pop-out.
- vi. The verification result contains the issue administration and its contact details. Further verification and enquiry can be conducted via e-mail and telephone.

Please note, this verification procedures and website are also applicable for verification of e-HKL.

Input field

The screenshot shows the 'Seafarer's Certification and Licence Information System' interface. It includes a disclaimer, input fields for 'Given Name', 'Surname', and 'Certificate / Licence No.', a CAPTCHA field with the characters '37dca', and 'Submit' and 'Clear' buttons.

Seafarer's Certification and Licence Information System

Disclaimer:

The verification facility only verifies that whether a certificate/licence has been issued to the named person by this department and the information contained therein. It cannot guarantee that the certificate/licence in question is genuine or the person holding it is its lawful holder. In case of doubt further verification would be necessary, e.g. the holder's identity be checked against other identity documents.
