

**Notification of Change of Particulars in Certificate of Ownership / Operating Licence**  
**Form No.: MD 511**  
**Guidance Notes**

**Attention**

1. The owner shall notify the Director of Marine in writing within 7 working days upon any change in the particulars that specified in the certificate of ownership/operating licence other than alterations to the hull, structure or fitted engine.
2. If there is any alteration to a vessel that is required to be issued with a certificate of survey or a certificate of inspection, the owner shall apply for a written permission from the Director of Marine (Local Vessel Safety Section) before making the alteration. The owner shall make an application for renewal of the certificate of ownership and operating licence (if applicable) within 7 working days after obtaining the renewed certificate of survey or certificate of inspection.
3. For a Class IV vessel to which a certificate of inspection is issued by a competent surveyor, the owner shall obtain written permission from a competent surveyor before making any alteration to the vessel. The owner shall make an application for renewal of the certificate of ownership and operating licence within 7 working days after obtaining the renewed certificate of inspection.
4. For a vessel not required to be issued with a certificate of survey or a certificate of inspection, the owner shall apply for a written permission from the Director of Marine before making any alteration to the hull, structure or fitted engine of the vessel. The Director of Marine will issue a written permission valid for one month to the owner. The owner shall notify the Director of Marine within 7 working days upon the completion of the alteration, and apply for renewal of the certificate of ownership and operating licence.
5. If color of hull is changed, the owner shall submit two 3R to 8R sized color photographs showing clearly the entire port and starboard sides of the vessel.
6. If the total power of a licensed open deck pleasure vessel fitted with outboard engine(s) is to be increased to 150kW (200 BHP) or above, the owner is required to provide inter alia a document showing that the vessel is suitable for installing such high-power engine(s) operating in full speed. The document may be in the form of vessel specifications or declaration made by the vessel's builder, or declaration made by an authorized surveyor.
7. If ancillary vessel(s) is/are to be added, the owner shall produce the original builder's certificate or similar document showing the length overall, extreme breadth and engine particulars (if any) of the ancillary vessel(s), and shall submit a copy of the document produced (applicable to Class III & IV vessels).
8. The Director of Marine may require the vessel to be surveyed as he thinks fit.
9. If there is any change of the owner's address, a correspondence (dated within the recent 6 months) showing the owner's name and address as proof of residence has to be produced.
10. The owner or his/her agent shall sign the notification form and present his/her original identity card. Where the vessel is owned by a company, the form shall be signed by the authorized officer of the company and affixed the company seal/stamp.
11. For a Class I Floating Restaurant or Stationary Vessel, an additional fee of \$165 per person is charged on her carrying capacity in pursuant to the Merchant Shipping (Local Vessels) (Fees) Regulation.
12. If the carrying capacity (including crew) of a vessel licensed under Class IV is more than 14 persons, an additional fee of \$165 per person in excess of 14 is charged in pursuant to the Merchant Shipping (Local Vessels) (Fees) Regulation.
13. The agent shall be appointed in accordance with the requirements of section 7 of the Merchant Shipping (Local Vessels) (Certification and Licensing) Regulation.

14. If the owner authorizes another person to act on his/her behalf, the owner shall complete Part 4 for authorization. The authorized person is required to present his/her original identity card and the certified true copy of the owner's identity card.
