Asked by: Hon HO Chun-yin, Steven (LegCo internal reference no.: 39)

Reply:

(a) & (b)

The respective numbers of designated bunkering areas within Hong Kong waters and licensed oil carriers in the past 3 years are set out as follows:

Year (as at year end)	Number of Designated Bunkering Areas	Number of Licensed Oil Carriers
2020	8	170
2021		170
2022		161

- (c) There are currently eight designated bunkering areas within Hong Kong waters for oil carriers to supply bunker to vessels. They are located near the major berthing places for local vessels (including fishing vessels) to meet their operational needs. The Government has no plan to establish new designated bunkering areas in the near future.
