After regulation 5—
Add
“5A. Keeping and inspection of International Certificate of Fitness
An International Certificate of Fitness for the Carriage of Dangerous Chemicals in Bulk must be kept on board the ship and must be readily available for inspection at all reasonable times.

5B. Duration of International Certificate of Fitness issued after renewal survey
A new International Certificate of Fitness for the Carriage of Dangerous Chemicals in Bulk issued in respect of a ship as a result of a renewal survey under regulation 4 is valid for such period as may be specified by the Director in the Certificate in accordance with paragraph 1.5.6 of Chapter 1 of the IBC Code.
5C. Duration of International Certificate of Fitness after early completion of surveys

(1) This regulation applies if—
(a) an intermediate survey of a ship is completed before the period within which the survey is required to be completed under regulation 4(1)(c); or
(b) an annual survey of a ship is completed before the period within which the survey is required to be completed under regulation 4(1)(d).

(2) After a survey in respect of a ship is completed as described in paragraph (1), the existing International Certificate of Fitness for the Carriage of Dangerous Chemicals in Bulk issued in respect of the ship must be endorsed to show a date described on the endorsement as the “new anniversary date”, which must be a date that is within 3 months from the date of completion of the survey (new anniversary date).

(3) For the purposes of any intermediate survey or annual survey to be carried out in respect of the ship under regulation 4(1)(c) or (d) in any year subsequent to the endorsement, the period within which the survey must be carried out is to be ascertained by reference to the new anniversary date.

(4) The duration of an existing International Certificate of Fitness for the Carriage of Dangerous Chemicals in Bulk issued in respect of the ship may be varied by the Director in accordance with paragraph 1.5.6 of Chapter I of the IBC Code.
5D. Extension of validity period of International Certificate of Fitness in certain circumstances

The Director may extend the validity period of an existing International Certificate of Fitness for the Carriage of Dangerous Chemicals in Bulk issued in respect of a ship in accordance with paragraph 1.5.6 of Chapter 1 of the IBC Code if—

(a) the Certificate is valid for a period of less than 5 years;
(b) a new International Certificate of Fitness for the Carriage of Dangerous Chemicals in Bulk cannot be issued or placed on board the ship before the expiry of the Certificate;
(c) the ship is not in the port in which it is to be surveyed when the Certificate expires; or
(d) the ship is engaged in short voyages.

5E. International Certificate of Fitness ceases to be valid

(1) An International Certificate of Fitness for the Carriage of Dangerous Chemicals in Bulk issued in respect of a Hong Kong ship ceases to be valid if—

(a) after a survey, without the sanction of the Director, a material change has been made to the structure, equipment, fittings, arrangements or materials covered by the survey, other than the direct replacement of them;
(b) a survey referred to in regulation 4(1)(b), (c) or (d) is not carried out within the period specified for the survey in that regulation;
(c) an additional survey referred to in regulation 4(1)(e) is not carried out within such reasonable time as the Government surveyor or recognized organization may specify;

(d) the Certificate is not endorsed under regulation 4(1)(c) or under Chapter 1 of the IBC Code, after an intermediate survey of the ship is carried out;

(e) the Certificate is not endorsed under regulation 4(1)(d) or under Chapter 1 of the IBC Code, after an annual survey of the ship is carried out;

or

(f) the ship is transferred to the registry of a place outside Hong Kong.

(2) In any of the cases specified in paragraph (1)(b), (c), (d) or (e), the owner of the ship must deliver the Certificate to the Director on demand.

5F. International Certificates of Fitness issued under regulation 5 regarded as International Certificates of Fitness in Chapter 1 of IBC Code

For the purposes of regulations 5B, 5C and 5D, a certificate issued under regulation 5 is to be regarded as an International Certificate of Fitness for the Carriage of Dangerous Chemicals in Bulk referred to in paragraph 1.5 of Chapter 1 of the IBC Code.

5G. Withdrawal of International Certificate of Fitness

(1) A Government surveyor may, by written notice, require the owner or master of a Hong Kong ship in respect of which an International Certificate of Fitness for the Carriage of Dangerous Chemicals in
Bulk has been issued to take such corrective action which the surveyor considers necessary if on a survey (other than an initial survey) of the ship referred to in regulation 4, the surveyor determines that the condition of the ship or its equipment does not correspond substantially with the particulars in the Certificate.

(2) The surveyor must, on giving notice under paragraph (1), inform the Director.

(3) If the corrective action is not taken within the period specified by the surveyor, the surveyor must inform the Director and the Director may, by written notice to the owner and master of the ship, withdraw the Certificate.

(4) On receiving a notice under paragraph (3), the owner and master of the ship must deliver the Certificate to the Director immediately.

(5) The owner or master of the ship may, after the corrective action in respect of the ship has been taken, apply to the Director for the return of the Certificate.

(6) On receiving an application under paragraph (5), if the Director is satisfied that the corrective action in respect of the ship has been taken, the Director must, by written notice to the owner or master of the ship, return the Certificate to the owner or master.
5H. Cancellation of International Certificate of Fitness

(1) The Director may, by written notice to the owner and master of a Hong Kong ship, cancel an International Certificate of Fitness for the Carriage of Dangerous Chemicals in Bulk issued in respect of the ship in the circumstances set out in paragraph (2).

(2) The circumstances are that the Director has reasonable grounds to believe that the Certificate was issued, or any endorsement on it was made, on the basis of false or erroneous information.

(3) The Director must give reasons for cancelling the Certificate in the notice under paragraph (1).

(4) On receiving a notice under paragraph (1), the owner and master of the ship must deliver the Certificate to the Director immediately.

5I. Form of International Certificate of Fitness

The Director may specify the form of an International Certificate of Fitness for the Carriage of Dangerous Chemicals in Bulk.

5J. Alteration of International Certificate of Fitness

(1) The owner of a ship in respect of which an International Certificate of Fitness for the Carriage of Dangerous Chemicals in Bulk has been issued by the Director may request the Director to alter any of the particulars contained in the Certificate.

(2) The Director may refuse to make the alteration if the Director considers it to be a material alteration.

(3) If the Director agrees to make the alteration, the Director must, on payment of the prescribed fee, alter the Certificate.
5K. Certified true copies of International Certificate of Fitness

(1) The owner of a ship in respect of which an International Certificate of Fitness for the Carriage of Dangerous Chemicals in Bulk has been issued by the Director may apply to the Director for the issue of a certified true copy of the Certificate.

(2) The application must be accompanied by the prescribed fee for the certified true copy.”.

11. Regulation 6 amended (maintenance of conditions after survey)

(1) Regulation 6(2)—
Repeal
“of the ship under regulation 4 has been completed”
Substitute
“referred to in regulation 4 has been completed in respect of a Hong Kong ship”.

(2) Regulation 6(3)—
Repeal
everything after “affects the safety” and before “, the master”
Substitute
“of the ship or the efficiency or completeness of its life-saving appliances or other equipment covered by the IBC Code”.

(3) Regulation 6(3), after “who shall”—
Add
“, in the case of a Hong Kong ship, cause investigations to be initiated to”.

(4) Regulation 6(3)—
12. Regulations 8A and 8B added

After regulation 8—

Add—

“8A. General power of Government surveyors to inspect, examine etc. ships

(1) Any of the powers conferred by this regulation may be exercised for ascertaining whether these regulations have been or are being complied with.

(2) A Government surveyor may, at any reasonable time—

(a) board a ship that is within the waters of Hong Kong; and

(b) take with the surveyor any other person and any equipment or materials required to assist the surveyor.

(3) After boarding the ship, the surveyor may—

(a) inspect the ship;

(b) make any examination and investigation as the surveyor considers necessary;

(c) take samples of any article or substance found on the ship that the surveyor may reasonably require for the inspection, examination or investigation;

Merchant Shipping (IBC Code) (Amendment) Regulation 2018

Frank CHAN Fan
Secretary for Transport and Housing

10 May 2018
Explanatory Note

This Regulation amends the Merchant Shipping (IBC Code) Regulations (Cap. 413 sub. leg. E) (principal Regulations) to give effect to certain changes made to the International Code for the Construction and Equipment of Ships Carrying Dangerous Chemicals in Bulk (IBC Code).

2. Certain provisions of the principal Regulations impose requirements on ships in relation to surveys and related matters. The Regulation amends those provisions to reflect the latest requirements of the IBC Code.

3. New provisions have been introduced to provide for—

(a) the meaning of various new terms used in the principal Regulations;

(b) the power of the Director of Marine (Director) to recognize organizations to perform certain functions;

(c) the power of the Director to specify the form in relation to certain certificates; and

(d) the general power of Government surveyors to inspect or examine ships within the waters of Hong Kong.

4. The Regulation removes from the principal Regulations certain provisions that are obsolete or outdated, including some definitions and the Schedule.
